

GEOMATRIX SYSTEMS/GEOMATRIX PRODUCT PATENT TABLE**

Pat #	Title	HyAir™	GCS™	GeoMat™	GeoU™	GST™	SBox™	GeoReCirc™	VFP™	SoilAir™	Float Hanger	GeoMat Edge™	GeoGuard™
12,037,275	Wastewater Leaching System								x				
11,059,732	Reconfigurable Leaching Module											x	
10,906,825	Wastewater Leaching System												
10,837,164	Supporting Outriggers		x		x	x	x						
10,550,561	Wastewater Leaching Chamber		x										
10,519,053	Reconfigurable Leaching Module							x					
10,392,278	Leach field system				x		x						
10,371,287	Alignment Orifice Shield												x
10,287,197	Wastewater treatment system							x					
10,065,875	Wastewater leaching system							x					
10,189,722	Pressurized gas lifting and gas rejuvenation	x			x		x						
9,656,892	Leach field form and method of use					x							
9,650,271	Wastewater leaching system		x		x	x	x						
9,403,692	Wastewater treatment system		x	x	x		x						
9,174,863	Leach field system		x	x	x	x	x						
8,834,727	Pressurized gas lifting and gas rejuvenation	x											
8,617,390	Wastewater system with pressure gradient									x			
D646151	Hook with receiving channels										x		
7,744,759	Maintaining wastewater treatment sand filters									x			
7,465,390	Low aspect ratio wastewater system			x									
7,374,670	High aspect ratio wastewater system		x		x	x	x						
7,309,434	Apparatus and method for wastewater treatment									x			
7,157,011*	Vent for leach field aeration									x			
6,969,464*	Dewatering of a leach field									x			
6,959,882	Watering and aerating soil with a drip line									x			
6,923,905*	Apparatus for subsurface aerated treatment of wastewater	x								x			
6,887,383*	Method for subsurface aerated treatment of wastewater	x								x			
6,814,866	Heating a leach field									x			
6,726,401	Treatment of a leach field	x								x			
6,485,647*	Method and apparatus for treating leach fields	x								x
